

Now there are also many other things that Jesus did. Were every one of them to be written, I suppose that the world itself could not contain the books that would be written.

WORD of the week

JUSTIFICATION

An instantaneous legal act of God in which He (1) thinks of our sins as forgiven and Christ's righteousness as belonging to us, and (2) declares us to be righteous in His sight.

QUOTE of the week

"By faith [the believer] triumphs over [the world's] smiles and enticements: he sees that all that is in the world, suited to gratify the desires of the flesh or the eyes, is not only to be avoided as sinful, but as incompatible with his best pleasures."

— John Newton
