WORD *of the week*

TRANSGRESS', v.

1. To pass over or beyond any limit; to surpass.
2. In a moral sense, to overpass any rule prescribed as the limit of duty; to break or violate a law, civil or moral.

To transgress a divine law, is sin. Legislators should not transgress laws of their own making.

QUOTE *of the week*

"Missions is not the ultimate goal of the church. Worship is. Missions exists because worship doesn't."

— John Piper
