## WORD of the week

**SE'LAH**, n.  
This word, which is found only in the poetical books of the Old Testament, occurs seventy-one times in the Psalms, and three times in Habakkuk. It is probably a term which had a meaning in the musical nomenclature of the Hebrews, though what that meaning may have been is now a matter of pure conjecture. *Smith's Bible Dictionary*

## QUOTE of the week

*And it did for one wild moment cross my mind that, perhaps, those might not be the very best judges of the relation of religion to happiness who, by their own account, had neither one nor the other.*

— *Chesterton, G K Orthodoxy*
