## WORD of the week

**SLA'NDER, n.**

A false tale or report maliciously uttered, and tending to injure the reputation of another by lessening him in the esteem of his fellow citizens, by exposing him to impeachment and punishment, or by impairing his means of living; defamation.

**SLA'NDER, v.**

To defame; to injure by maliciously uttering a false report respecting one; to tarnish or impair the reputation of one by false tales, maliciously told or propagated.

## QUOTE of the week

*"It is not only prayer that gives God glory but work. Smiting on an anvil, sawing a beam, whitewashing a wall, driving horses, sweeping, scouring, everything gives God glory if being in his grace to you ~ do it as your duty.*

*To go to Communion worthily gives God great glory, but to take food in thankfulness and temperance gives him glory too. To lift up hands in prayer gives God glory, but a man with a dungfork in his hand, a woman with a slop pail, gives him glory too.*

*He is so great that all things give him glory if you mean they should."*

— G. M. Hopkins
