

# 5 DAY BIBLE READING PLAN

For 2022

This special Bible reading plan allows you to read the entire Bible in one year while only reading five times a week with an average of 125 verses per day.

Five readings a week gives room to catch up or take a day off to focus on other Bible reading or spiritual disciplines, and makes daily Bible reading practical and do-able.

The readings are placed as chronologically as possible. Even the Psalms are read where they belong in Israel's history when feasible, and this is why some prophets appear to be "out of order". And, to reduce some flipping, if there were two readings from the same book on one day but they were separated by another reading, they have been grouped together.

*"Thy word is a lamp to my feet, and a light to my path" (Psalms 119:105)*
