## WORD of the week

**TABERNACLE**, The  
 The Tabernacle was the tent of Jehovah, called by the same name, as the tents of the people, in the midst of which it stood. It was also called, the sanctuary and the Tabernacle of the congregation. The first ordinance given to Moses, after the proclamation of the outline of the law from Sinai, related to the ordering of the Tabernacle, its furniture and its service, as the type which was to be followed, when the people came to their own home, and "found a place" for the abode of God. During the forty days of Moses' first retirement with God in Sinai, an exact pattern of the whole was shown him, and all was made according to it. The description of this plan is preceded by an account of the freewill offerings, which the children of Israel were to be asked to make for its execution.

## QUOTE of the week

*"Famine may starve, or bloody war devour, earthquake may overturn and tempest may smite, but amid all, the man who has sought the mercy seat and is sheltered beneath the wings which overshadow it, shall abide in perfect peace. Days of horror and nights of terror are for other men, his days and nights are alike spent with God, and therefore pass away in sacred quiet."*

— CH Spurgeon
