## ANNOUNCEMENTS and INFORMATION

### ● HUNGRY 4 MISSIONS

The Haiti Team will be hosting lunch on Sunday, May 6, 2018, in hopes to raise the funds needed to build the two much needed classrooms at the school in Petit Bois. In addition to this construction, we will also be painting classroom chalkboards and building some new benches. The estimated cost of this project is over **\$7800**. Please help us achieve this goal and give the students classrooms that don't flood or leak or collapse!

### ● AED PRESENTATION

On Sunday evening, May 6th, the Security Team will host an AED presentation during the Lord's Supper Service at 6pm. As part of that presentation, AED training specific to our model will be given. Everyone is encouraged to attend this service. And, we ask that the members of the Medical Response Team, especially, should make every effort to attend.

### ● MEDICAL SUPPLIES

We are currently collecting medical supplies for the clinic in Haiti. Please see the bulletin board for a list. Items can be left in the designated box in the foyer. These items will be taken down with the team in June.

### ● VBS PRAYER CHAIN

Let's keep our chain growing with prayers! Please take a moment right now to fill out a quick prayer slip for the VBS prayer chain and drop it in the offering plate this morning.

### ● MISSAL'S ARE COMING

Obed and Roshen will be here during the month of May. If you would like to host them for a meal or outing, or both, please see Isaiah Cornelius. A calendar will be posted on the board soon.

### ● PRAYER REQUESTS

If you have any prayer requests to add to the weekly prayer sheet, please email them to Joanne by Wednesday at 10am.

## WORD of the week

### INHERITED GUILT

The idea that God counts all people guilty because of Adam's sin.

Wayne Grudem

## QUOTE of the week

*"We see other people's sin so clearly and our own so opaquely. From a great distance and with the scantest information we can judge another person's least transgression. Yet we can rack our own hearts and minds and often barely come up with a single way we are anything less than perfect. What we see so well in others we simply do not see in ourselves."*

Tim Challies
