WORD of the week

THE 10/40 WINDOW

The 10/40 Window is located from 10 degrees south to 40 degrees north of the equator. There are **69 nations** across northern Africa, the Middle East and Central Asia in the 10/40 Window. Nearly 4 billion people live here, including 90 percent of the world's poorest of the poor. It is estimated that 1.6 billion of these people have never had the chance to hear the Gospel of Jesus Christ - not even once! The seat of every major non-Christian religion - Islam, Buddhism, Hinduism, Animism, Atheism, and Sikhism - is headquartered in the 10/40 Window. Two-thirds of the world's population (4 billion) live in the 68 nations of the 10/40 Window.

QUOTE of the week

"Missions is the process of reaching unreached peoples with the Gospel, which requires intense language-learning, cultural study, and relationship-building. Short-term missions, therefore, does not exist. All of our missions — however long we're physically in the country — is long-term missions. Church resources should be invested in short-term trips as a way of supporting missionaries, not as a separate missions strategy."

— Ramon Lull, *Desiring God*
